Creating an Online Lunch Account

Payschools Central Lunch program allows you to monitor the student's lunch purchases, limit account spending, monitor their lunch account balances, add money to their lunch accounts, transfer money between siblings, sign up for low account text alerts and enter a Free & Reduced-Price Meal Application. If you have not already created an account with:

We encourage you to create your account by following the directions to the right.

*Student ID number is the same number as the student lunch number. If you do not know your student's lunch number please contact the school.

- 2 If you want to use your phone, download the PaySchools Central app on the Apple App Store or Google Play.
- 3 Complete account registration by selecting register, entering your profile details, setting up your password via the email link we'll send you, then logging in.
- 4 Add your children to your account using their student ID numbers.
- 5 If you'd like, enter credit card and/or banking information as forms of payment to use with your PaySchools account.
