The Complete Online Payment Solution

Dear Parents,

Dealing with your children's lunch money just got a lot easier! You can now add money to their accounts for meals online securely and even see what they are buying.

If you haven't used the website before, go to [www.K12PaymentCenter.com](http://www.K12PaymentCenter.com) and click "Register Now" to create an account. Select **Kalida Local School District** from the drop-down lists of school districts, fill in your information and you're ready to go! Note that you will need your child's 4-digit Lunch ID number; simply contact us for their ID number and with any other questions you may have.

You do not have to pay anything for the ability to see your balance, meal purchase history and get low balance alerts. You may choose to deposit money into your student's accounts using a credit or debit card, but it is not required to use this site. If you do choose to make a payment through this site, you will be charged a \$1.95 transaction fee per transaction by the K12PaymentCenter website. This fee is not collected or deposited with Kalida Local Schools.
