Brad Niemeyer

New School Board Member

We welcome Mr. Brad Niemeyer to Kalida Local Schools Board of Education. He takes over for Mrs. Sue Gerdeman on the board and will fulfill her term which expires at the end of 2017. Brad is the husband of Nicole and the father of Owen and Grace.

Mr. Niemeyer is a 1990 graduate of Kalida High School. He graduated from The Ohio State University with a BS in Civil and Environmental Engineering in 1996. Brad is the Assistant Sanitary Engineer for the Allen County Sanitary Engineering Department.

Read Across America 2016

During the first week of March, students at KES celebrated Read Across America Week, and what a week it was! Students and teachers embraced the joy of reading by participating in a number of exciting reading activities. For example, students established reading partners in other grade levels, created drawings that replicated an illustrator's artistic technique, and surpassed

the school-wide reading goal by more than double. Special guest readers (adult community members) also popped in throughout the week to share their love for reading with the children. Pictured is Miss Pat Broecker's first grade class enjoying a story read to them by Miss Mary Grote.

With the help of Cindy Fitzgerald, KES was able to host illustrator Brian Ritter, a local ArtAbility artist, from Lima, OH. Along with his Marimor Adult Services Supervisor, Angie Herzog, a school-wide presentation of Brian's book "Winston's World" captivated our young readers. Beautifully illustrated, the story focuses on Winston, a good-hearted cat that looks a little different from the others, who overcomes obstacles to find the true meaning of friendship. Born with spina bifida, Ritter saw his share of bullying, so he truly values the friendships that he has formed along the way. A signed copy of the book can be purchased for \$16 for your child's personal library. All proceeds will go to Brian!

The students of KES were also challenged to read 14,000 extra minutes during Read Across America Week (That's about 10 extra minutes each night for each student). They far exceeded that goal by reading 34,088 minutes, which equates to approximately 81 school days. For their efforts, not only did Mrs. Verhoff take a pie to the face, so did Mr. Lammers. We are all very proud of our students and teachers.

~Mrs. Kathy Verhoff, Kalida Elementary Principal

Science Fair Awards

Congratulations to seventh graders, Hannah Berheide, Jill Knueve, Ryan Lucke and Jasmine Vorst for their success at District Science Fair, at Ohio Northern University. Jasmine received an excellent rating for her project on color and taste perception. Hannah earned a superior for her project on water absorption in cut flowers. Jill received a superior for her project on SPF and UV radiation levels. Ryan earned a superior for his project on the effects of smell on taste. The group will receive a plaque for earning the highest percentage of superiors from a district school.

Hannah, Jill, and Ryan have earned the opportunity to compete at **State Science Day** at The Ohio State University in Columbus this May.

Junior High Quiz Bowl

Congratulations to the JH team who participated in the Putnam County Junior High Quiz Bowl on March 18. The following Kalida students competed with other Putnam County schools: Connor Erhart, Paige Helmke, Ella Kaufman, Kevin Lammers, Jennifer Rall, Brayden Recker, Jasmine Vorst, and Kamryn Wurth. The team advisor is Mrs. Mary Smith.

NEW Student Health Requirements

The Ohio Department of Health recently approved new requirements for the immunization of school aged

children. One dose of Tdap vaccine remains required prior to entry into the 7th grade. Beginning with the start of the 2016-2017 school year, **all pupils entering the 7th AND 12th grade** are required to be

vaccinated against Meningitis. One dose of Meningitis vaccine is required prior to entry into 7th grade with a second dose prior to entry into the 12th grade. If the incoming 12th grader has never been vaccinated against Meningitis they are required to have only one dose. However, if they were vaccinated with Meningitis before their 16th birthday, a second dose is required. It is important to note that the required Meningitis vaccine has the trade name of **Menveo** or **Menactra**. You may be hearing of another Meningitis vaccine called **Trumenba** or **Bexsero**. While these are recommended, they are not part of this new requirement. Call the Putnam County Health Department or your health care provider for more information. They take appointments every Tuesday and the fourth Wednesday mornings of each month. Avoid the back to school rush and call to schedule an appointment soon.

Froggy Park Update

The Kalida Park Board is looking for your input! We will be applying for a grant to refurbish the current tennis courts at Froggy Park, and perhaps turn them into multi-sport courts. You may have noticed they are showing some age. It has been 20 years since they were last refurbished. What would you like to see these courts configured for? Tennis? Basketball? Pickleball? Volleyball? Badminton? Other possibilities? Visit kalidaparks.com and give us your input, or call Ken Gerdeman at 419-235-0831. All community input is appreciated.

Students Are “e3smart”

This school year, Mrs. Grime’s 8th graders are learning about energy efficiency. The Ohio Energy Project’s (OEP’s) e3smart program stands for energy, efficiency, and education.

The program is funded by different service territories across Ohio, including AEP Ohio. Each participating student received an energy kit which included: LED light bulbs, CFL light bulbs, a furnace filter whistle, weather stripping, a door sweep, an energy efficient shower head, faucet aerators, a flow meter bag, a hot water gauge, and a refrigerator/freezer thermometer. Students have been collecting data around school and at home. They have been learning about different types of light bulbs, insulation, heating & cooling, water heaters, and appliances. The program is designed to educate students about energy efficiency, and in turn, they can educate their parents. With parental support, students have the opportunity to put energy conservation lessons into action by installing energy-saving items provided by AEP Ohio. Once installed, these electricity and fuel-saving measures give families the opportunity to see how low-cost and no-cost measures can help lower energy usage. For more information about this program, visit OEP’s website (ohioenergy.org).

Music Booster Calendar Information

The Music Boosters would like to thank Michelle Doepker for all of her years of service and time in heading up the calendar fundraiser. We appreciate all she has done for the organization. At this time, the Music Department is looking for someone new to head up the calendar fundraiser. If you have a student in Choir or Band at any grade level and are interested in helping with this fundraiser, please contact Mary Glick at ka_glick@kalidaschools.org, Kathy Lammers at 419-890-6564 or Denise Recker at 419-969-0396.

Kalida High School Honor Society

Congratulations to Cathy Basinger, Erica Edwards, Samantha Langhals, Caleb Siebeneck, and Sidney White upon their induction into the KHS Honor Society during the spring ceremony on April 22. Students must maintain a 3.3 grade point average, be of good character, maintain high standards of scholarship, leadership and service. Advisor for the Honor Society is Mr. Jeff Clement.

Congratulations to King Evan Recker and Queen Katelyn Siebeneck who were crowned at the homecoming activities on February 12. The court included Freshmen Grant Laudick and Lauren Langhals, Seniors Brandon Erhart and Alexa Ellerbrock, Juniors Caleb Siebeneck and Mikki Smith, Seniors Drew Hovest and Sarah Hovest, and Sophomores Jacob Kahle and Tori Niese. Last year's King Noah Verhoff and Queen Morgan Niese were present to crown the new royalty.

Welcome Baby Stechschulte!

Nora Jo, daughter of Kristen and Ryan Stechschulte was born on February 2, 2016.

Nora Jo weighed in at 8 lbs. 6oz.

Mrs. Stechschulte is the elementary physical education teacher and the girls' varsity volleyball coach at KHS. Congratulations!

Student Physicals will be held on May 23 from 6—8 PM at the gym. This Free physical night is for students entering grades 9-12 next year.

Students will be given a more detailed announcement by the end of April.

Kalida Music Boosters say “Thank You”

The Kalida Music Booster officers say thanks to the community for their continued support at the concession stand through the volleyball and basketball seasons this year. Special thanks to the parents who showed up to work their shifts and to those of you who may have worked extra shifts when you saw the need to help. Thanks also to the students who worked your shifts to clean up after the games! Concession profits from this year helped to support the fall marching band show, a portion of the marching band uniforms, and a portion of the new microphones for stage performances.
