

The Kalida Elementary PTO will be placing one SCRIP card order for the year on December 1, 2020. As well as any area businesses who wish to place an order can do so by contacting me directly. SCRIP is a wonderful way to do your shopping or give a gift card to someone special and at the same time support the efforts of the students and teachers at Kalida Elementary. All the money raised through this program goes directly back into projects for the school and allows the PTO to raise funds to help teachers with special projects they do with the students at school. In the past, PTO was able to give each teacher a gift card to purchase items to be used directly with your sons and daughters. Some examples include playground equipment like balls, indoor recess games, treats for special projects, just to name a few.

Ordering is easy!! Fill out the attached order form with the cards you would like to purchase (additional cards are available and can be found on www.glscrip.com), enclose a check (made payable to Kalida Elementary PTO), and return the order form and payment to the Elementary School office. The SCRIP cards will be available in the Elementary office or can be sent home with your child (please indicate which you would prefer on the front of the order form) approximately one week after the order is placed.

Thank you for helping to support the Kalida PTO and the students and teachers that work so hard to make our school so successful.

For more information about the program or any questions, please contact me by email sunverferth@bright.net.

Sincerely,

Sherry Unverferth
SCRIP coordinator

How would you like to pick up your SCRIP cards?

Pick up at Elementary Office
 Send it home with classroom teacher
