5 folders with pockets

1 book cover

Blue or black pens

Red pens

Pencils

Highlighters

Colored pencils

Ear buds to remain at school

## **GRADE NINE THROUGH TWELVE 2017-2018**

There are no specific supply lists for grade 9-12. Students are expected to arrive on the first day of classes with pencil and paper ready to take notes. Specific supplies for each class will be announced at that time. Students are also expected to provide their own calculators. Students can check with their teachers to learn which models are best for the different math courses. If you have any additional questions, do not hesitate to call the High School Office.
